DEDICATION IS:

We, the 1977 Seniors of Crestview High School dedicate our yearbook to two very special people--Mrs. Ginther and Mr. White. Both have managed to add that "extra something" in everything they do; whether it's teaching shorthand or leading a confused student through the card catalog. In their own special way, each has helped to make our travels through Crestview, a memorable experience. We thank you both for all that you've given us, but most of all, we thank you for just being there.

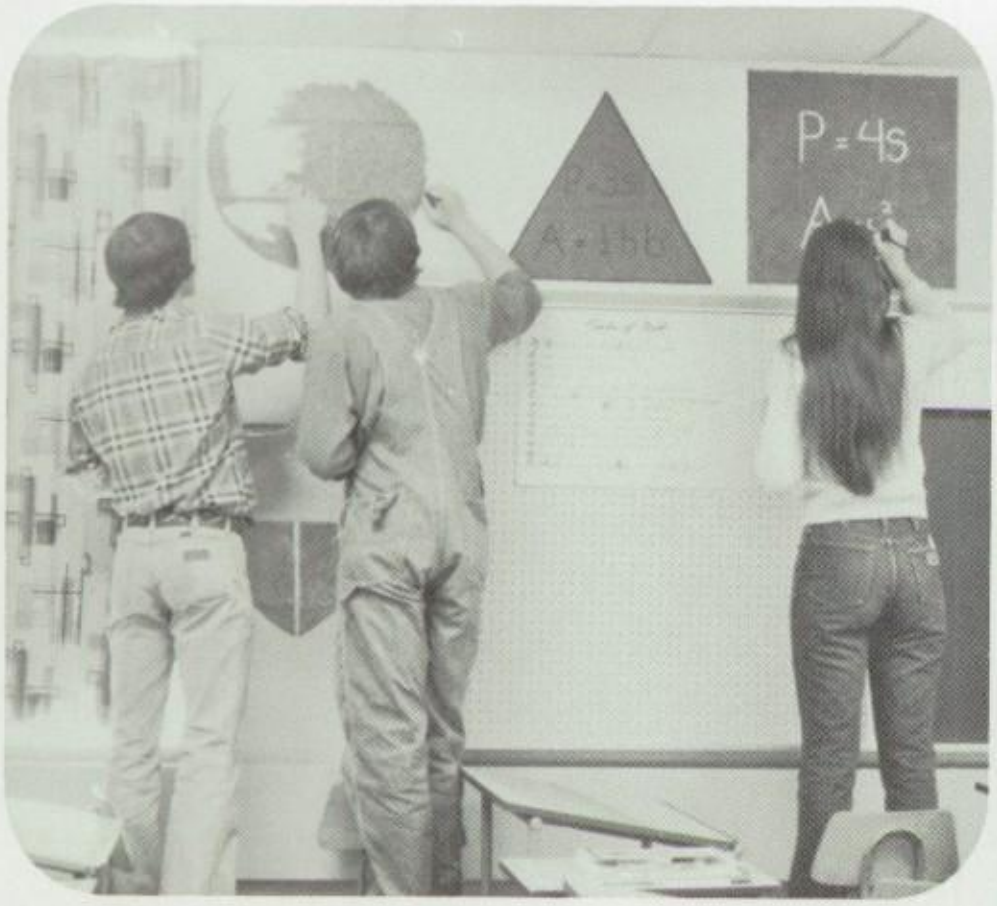
Crestview

CHS

There wern't really that many of us at Crestview . . . but, we wern't just a building on Route 96 out in the middle of a field either! We were people to be recognized. We shouted out ideas, feelings and emotion, and when we all shouted how could others not hear our thunder and pride?

SHOUTING

HARMONY

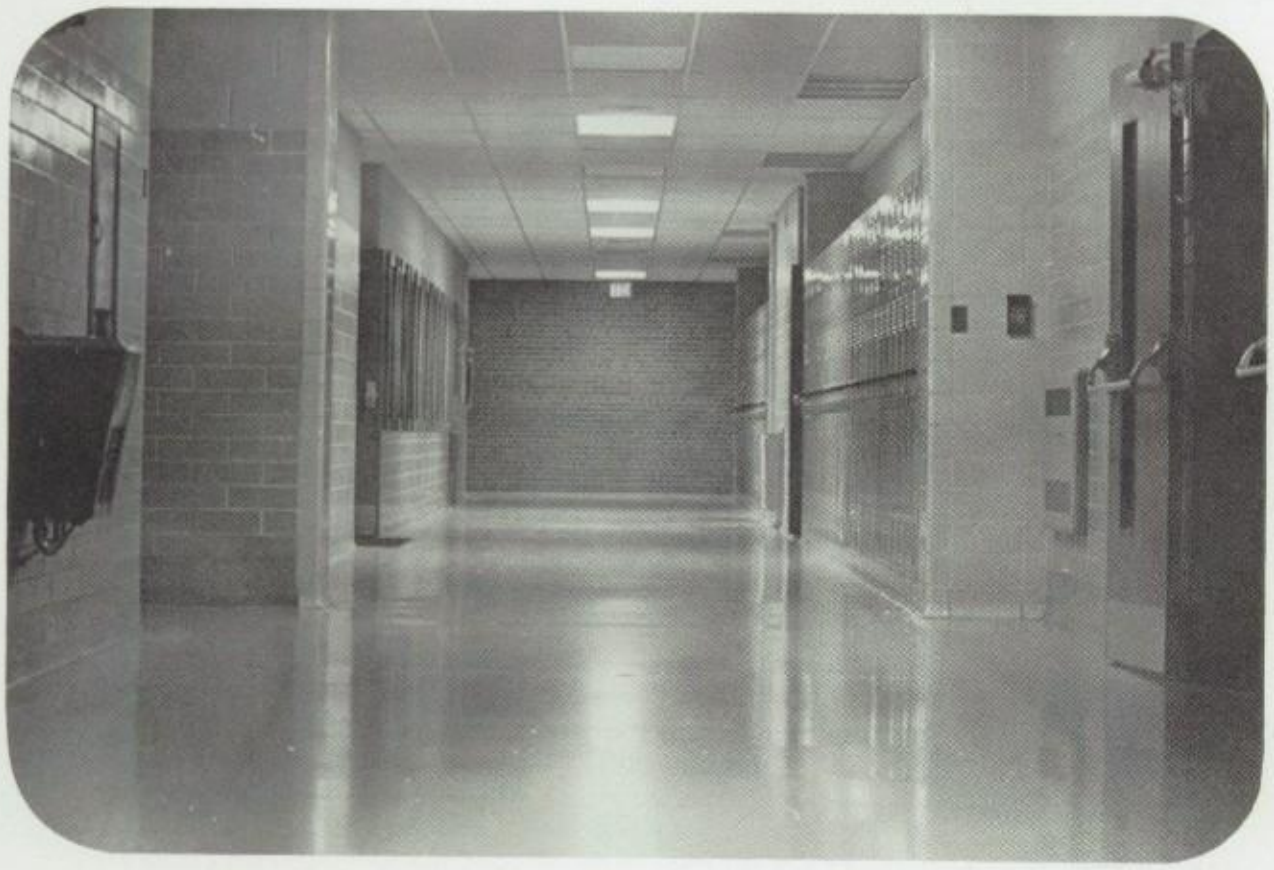


During the times we were togeather at CHS we somehow managed to get along. We listened and expressed opinions, great things could happen. Smooth running classrooms, a club raised money for a worthy cause, a team won an important game. These things plus many others came together to make beautiful harmony.

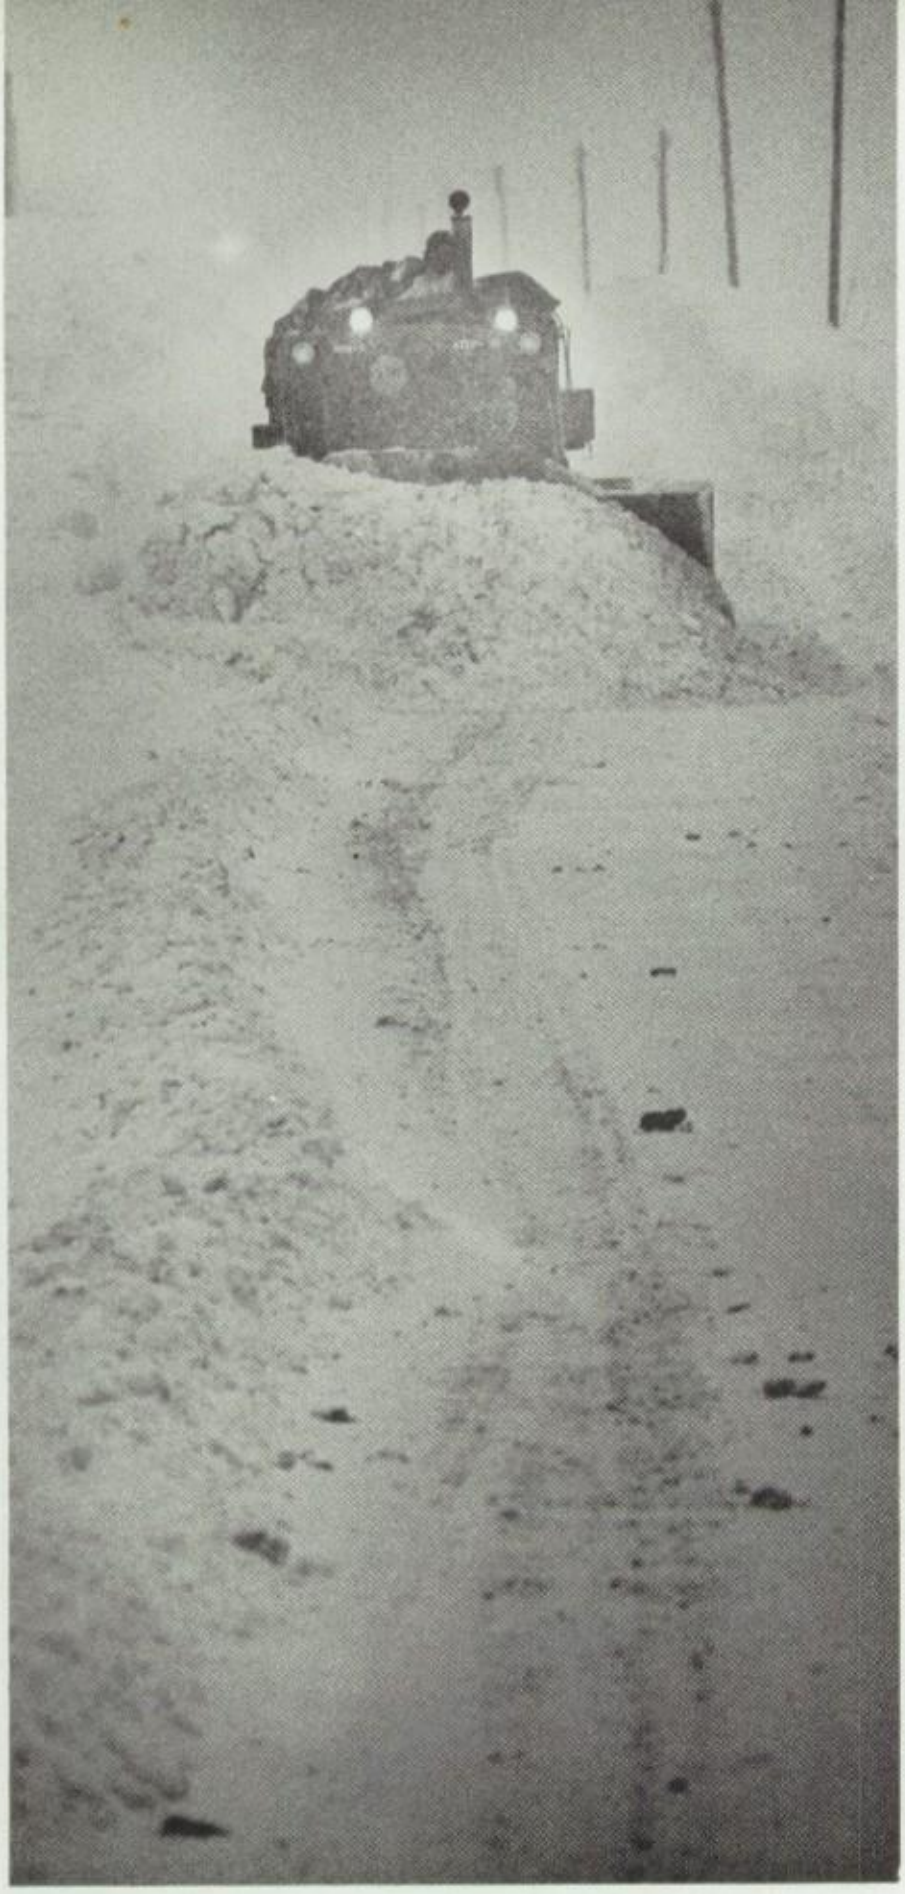
What can we say about laughter? We heard it everywhere--giggles in the library . . . laughs in the classrooms. The sound echoed through our halls, we may forget the punch lines, but the good times we shared will stick in the back of our minds forever.

LAUGHTER

SILENCE



There too was a time when among the commotion came a quiet hush-peace-nothingless. We all needed time to be alone, to concentrate, think, relax, take a break. It was times like these we learned to appreciate the sound of silence.



BIG WINTER

There was a severe natural gas shortage in and around Ohio this winter. For Crestview it caused many new problems and changes. The steps taken to save gas, are as follows: Thermostats set at 67° (most don't work). Corridor and restroom heat turned off. Night cycle used when possible. Classroom and exit doors kept closed. Heating units turned off as early in the day as possible (not in all areas). No heat for after school activities. Alternate fuels. Split sessions. Check consumption of gas daily. Moved all athletic practices to the High School gym. Lower gym temperatures to 60°. Heat in unused rooms turned off. Elementarys hot water to showers turned off.

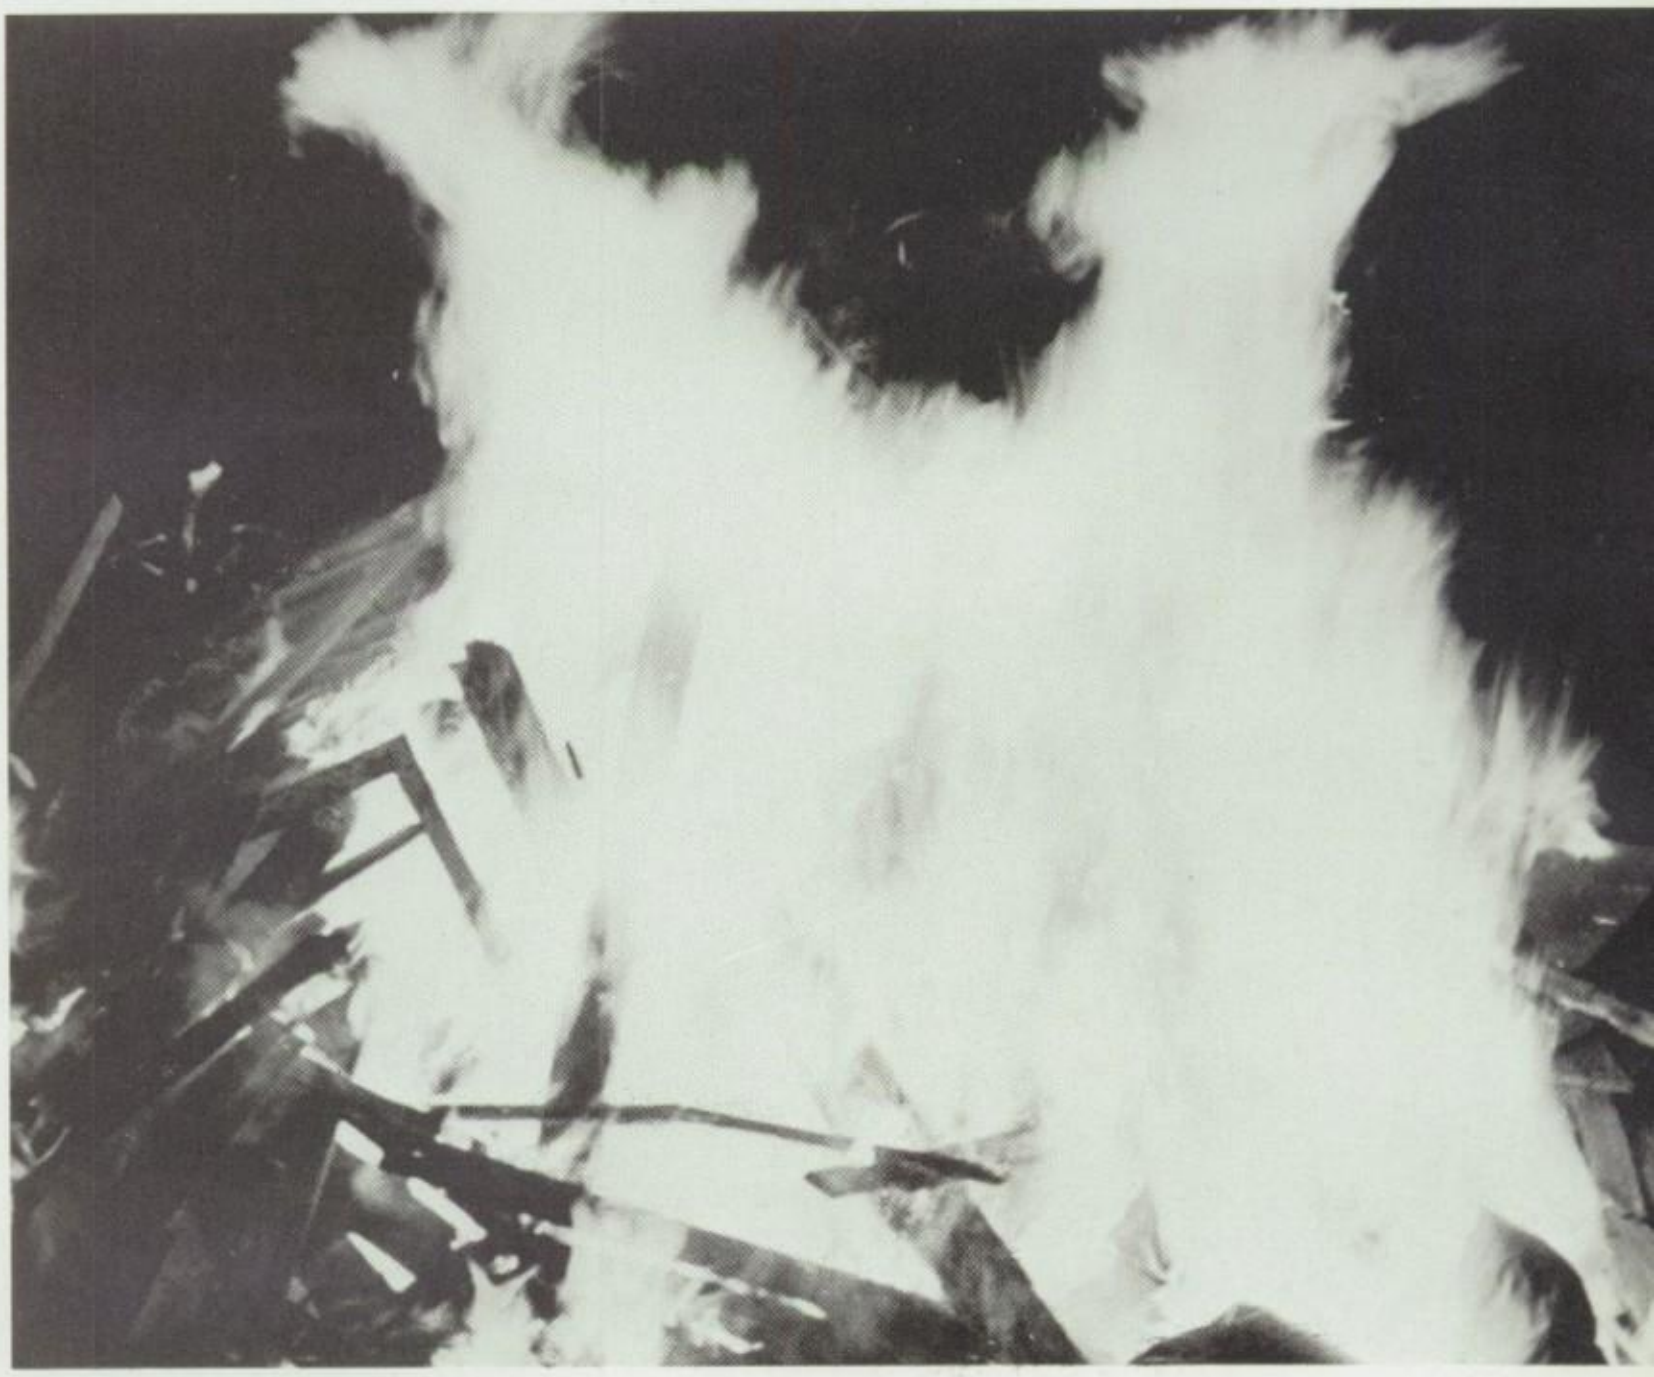
AUTUMN . . .

was the theme of our fantastic (and cold) winter event. We started out the celebration with a gorgeous bonfire. Around it, we chanted, we had a tug-a -war, and just had fun. The 1976 Homecoming Queen was Pam Smith. King was Brian Osborne. Senior attendant was Christine Rogers. Her escort was Dave Steiner. Juniors were Lois Sherrick and Mark Bunt. Sophomores were Liz McFarland and Terry Troxel. Freshman: Sue Oswald and Jim Whitesel. The dance, under the theme of AUTUMN, was sponsored by the Student Council.

A FEW SPECIAL EVENTS . . .



AMERICA LAND

The Sophomore class presented the 1976-77 edition of the annual Sophomore Variety Show. The theme for this years entertainment was; "America a Land of Giants", to honor America's 200th birthday. The variety show was presented three nights this year; December 2, 3, 4, show time was at 7:30 p.m. in the Crestview little theater. There were many good performances by the talented children of our community. The turn-out was good and proved to be quite an enjoyable event for everyone involved.

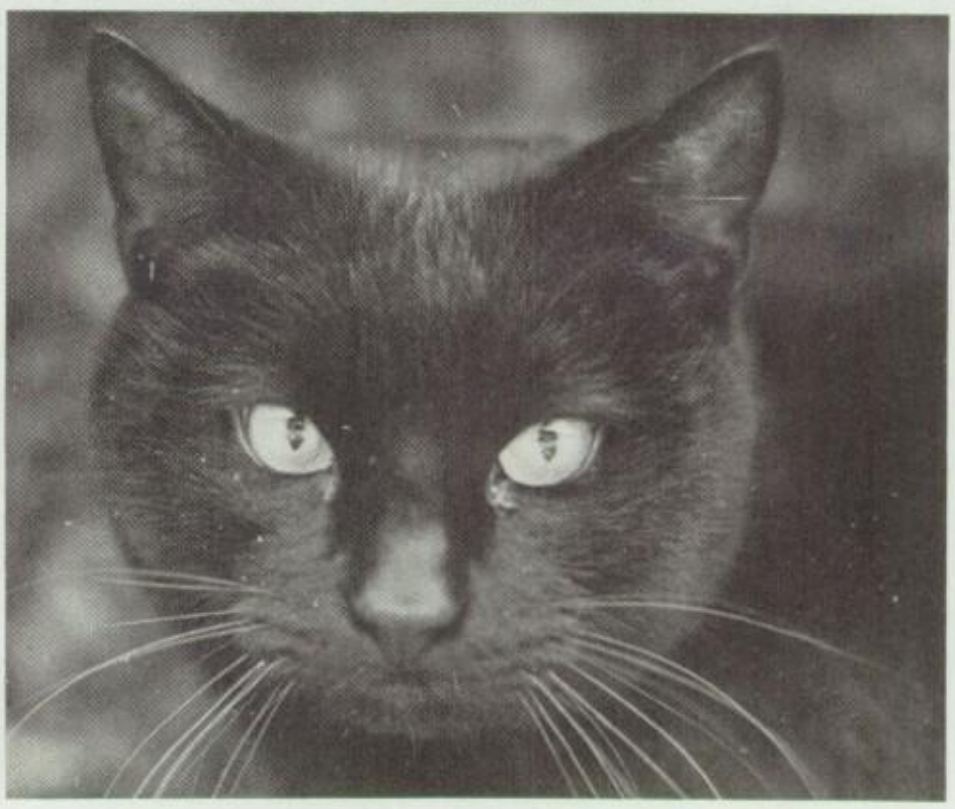
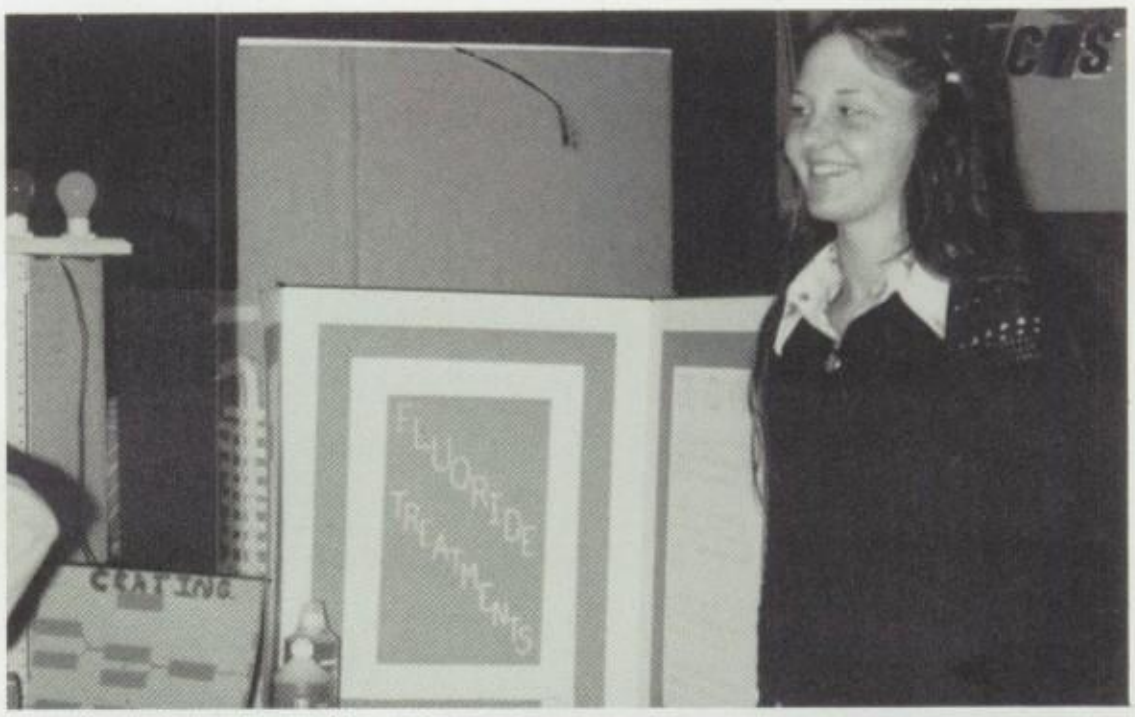
VISITORS AND INHABITANTS

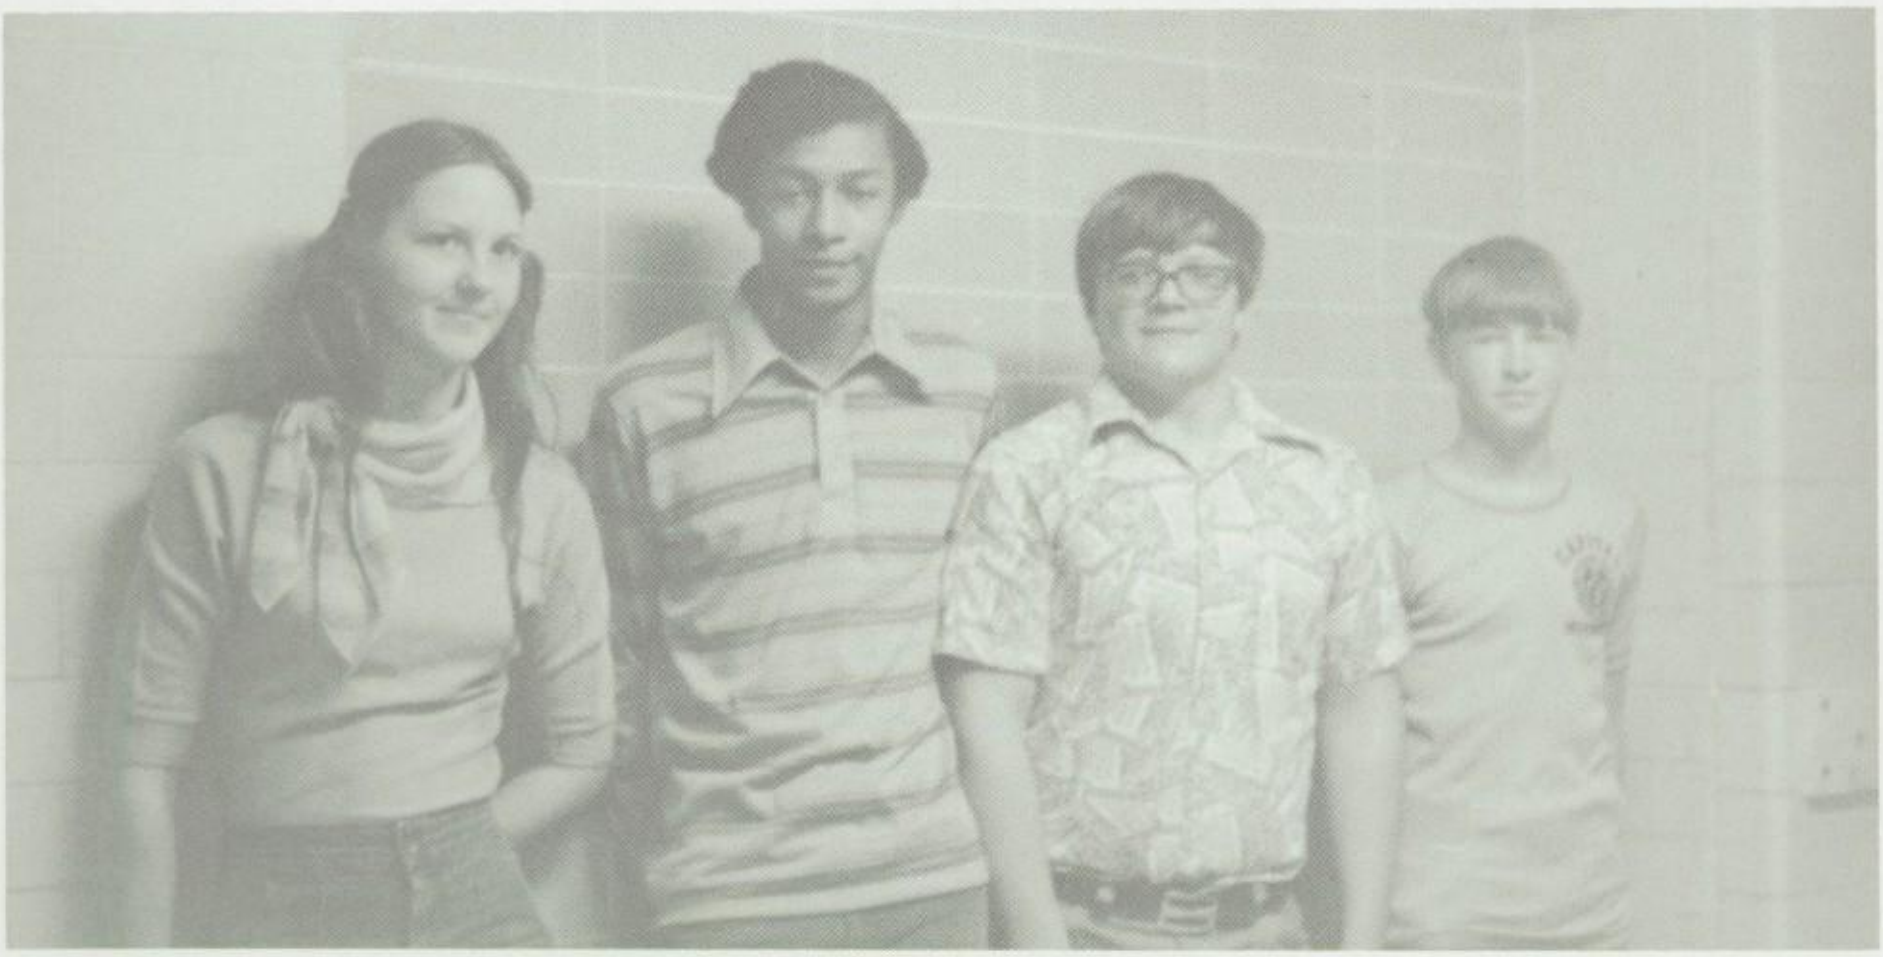


MAD SCIENTISTS!

The Science Fair is always one of Crestview's outstanding achievements. Many of the science projects were judged as superior; these projects will later compete in the district science fair at Ashland College. All science and health students were required to enter a project in the science fair. Even though all the students projects did not receive a "superior rating", they all deserve a big round of applause!



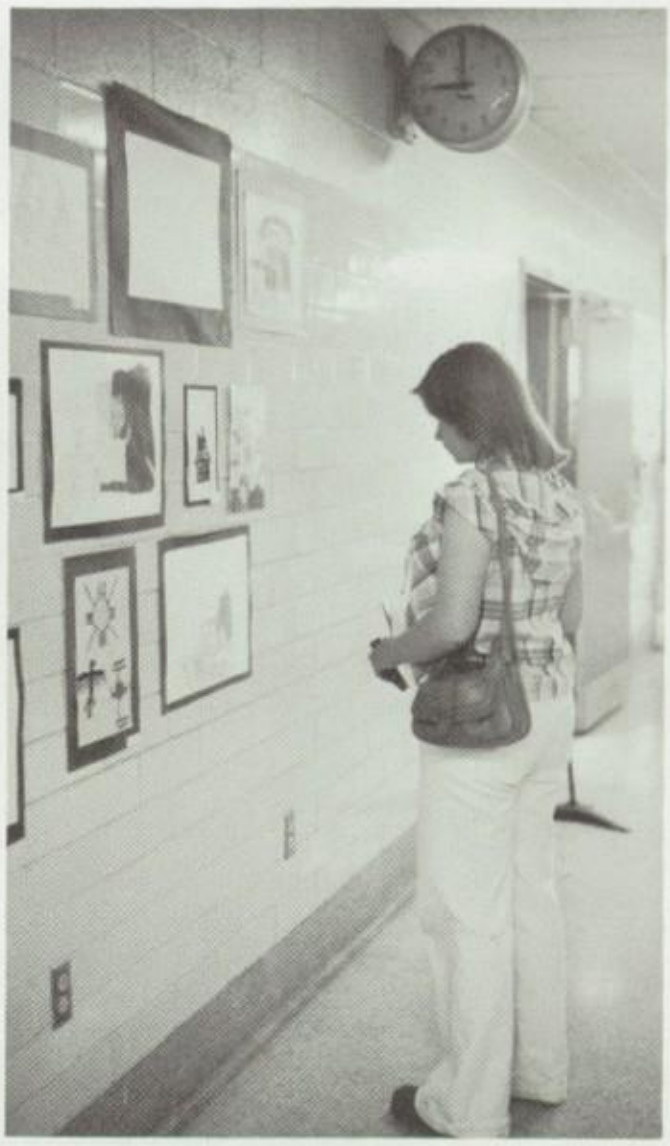
Sisters Mary and Annie Vogel display highly rated projects.

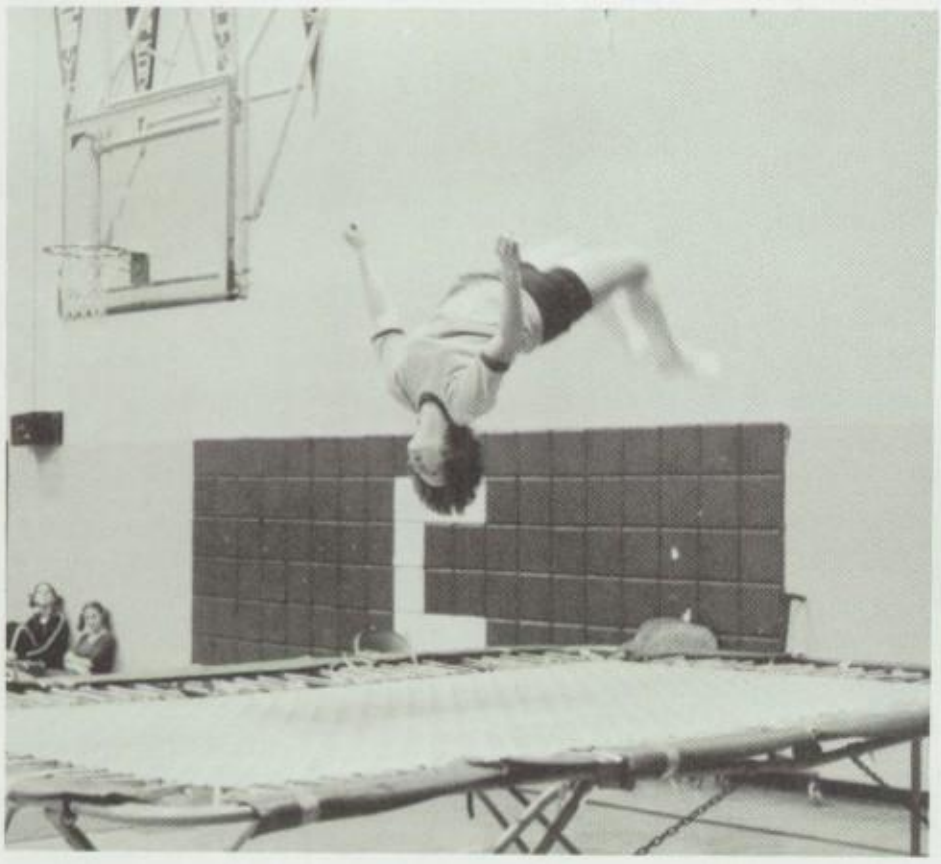


Mary Vogel, John Bond, Mike White, and Todd Tegtmeier each received a SUPERIOR rating which sent them on to Ashland College.

FESTIVAL WELCOMES IN SPRING

The 1977 Annual Festival of the Arts Day proved to be a very worthwhile engagement, and drew one of the largest crowds in years. The big hit of this year's show was Mr. Lime's painting of the wrestlers. Mr. Lime along with several other artists exhibited their work in the Junior High. The days program began at one o'clock, May first with a few of the High School girls performing several gymnastic feats. High School and Junior High art work was displayed throughout the school halls and rooms. The High School and Elementary bands and choir also filled the air with music and song. Different clubs and organizations sold many artistic and useful items. A bake sale was also sponsored by the Senior Class.





"THE YEAR OF THE CAT"

was the theme for the 1977 prom which was held at the Interstate Motor Lodge. The dance lasted until midnight. From 1-4 a.m. they bowled at Lex Lanes.

Prom King was Ken Lemieux. The queen was Marie Calhoun. The Prom Princess was Kim Glenn with Gary Eberts as Prince.

Dancing and eating and just hanging around are main style of life.

Local Superintendent

Gail L. Porter
Principal

Sunday, June 5, started out cloudy, humid and threatening, but by 3 p.m. parents, friends and family had piled into the high school gymnasium to await the beginning of the 1977 Graduation exercises. This date would mark the end of one most important part of each Senior's life; perhaps for some the end of formal education and for others, a springboard for other types of higher education. There were mixed emotions, but for most, this day would open up a whole new and different world.

An old friend served as guest speaker for the occasion-Mr. McVicker, former Crestview Superintendent. Rev. Ronald Merrill gave scripture reading and class sermon. President of the Senior class, Ray Lambright added his word of testimony. Mr. Midlam gave out honors and presented the 1977 class. Mr. Voy Lee Harmon handed out diplomas and congratulations. As each Senior left the platform, Juniors Mark Bunt or Kim Glenn gave flowers.

The program was ended with the singing of the class song: "The Way We Were", and for the rest of their lives each graduate will undoubtedly remember those wonderful and sometimes not so wonderful school days at C.H.S.!

CRESCENT NEWSPAPER STAFF

The Cougars View has managed in spite of the bad weather and the fuel shortage to sell six issues of the high school newspaper. As a staff we have learned a great deal as we prepared our newspaper this year.

During the weeks of March 21st through the 31st staff members sold 1977 yearbooks for $8 each. Students saw posters in the halls and heard spot commercials on the daily announcements.

In spite of severe weather problems-which managed to set back the production of the Crescent, the staff headed by Tracy Lewis, has worked very hard to make this year's annual something extra special. Yes, the yearbook will be somewhat different, but then, that's what we are striving for-originality!

We also wish to thank the many people who have helped, aided and supplied badly needed materials and personal time to help send the Crescent into production.

DOING CARING IS F.H.A.

F.H.A. began this year by making plans for a truly unique fair booth display to be exhibited at both the Richland and Ashland Co. Fairs. We are happy to know our chapter received high ratings at each place.

Our one money-making project was the selling of jumbo coloring books as we had done the previous year, all found it to be fun and worthwhile. With the hard earned money the club purchased new kitchen chairs and several pieces of badly needed cookware.

The Chapter also takes charge of catering services for the annual F.F.A. Banquet.

As spring was nearing we had hopes of going to Cleveland to the annual Home & Flower Show, but had to lay them aside due to the unavailability of tickets.

All in all the year was a total success!

F.F.A. ACCOMPLISHMENTS ARE MANY

The 1976-77 year was a busy one for the Crestview F.F.A. Community service has always been important to the chapter, so with community and Farmers Home Administration help, the members constructed and donated a picnic pavilion to the Savannah Park. Nine tables were also constructed.

Members participated in the county, district, and state judging contests in dairy, general livestock, wool, meat, agronomy, land, and mechanics. The most significant accomplishments were in dairy, and land judging.

Another 350 trees were added to the arboretum and 40 acres of corn and 10 acres of oats were planted.

Citrus fruit sales and Vitality garden seed sales financed the chapter activities.

Duane Gallaway was awarded the State F.F.A. Degree and Steve Spoerr, who received the state degree last year was named Star Farmer of the Club.

N.H.S.

The Crestview Chapter of National Honor Society is an organization that recognizes Crestview High School students who show outstanding traits in scholarship, character, service, and leadership.

During the 1976-77 school year, the group, led by Steve Gibson, Pres.; Sue Dunn, Vice Pres.; Deb Oswalt, Sec.; and Loretta Spoerr, Treas.; raised money for the sponsoring of the Crestview Scholarship Team and Annual Book Scholarship, by having a smorgasboard on the evening of the Science Fair.

This year's scholarship winners were: Deb Oswalt and Tom Pfister.

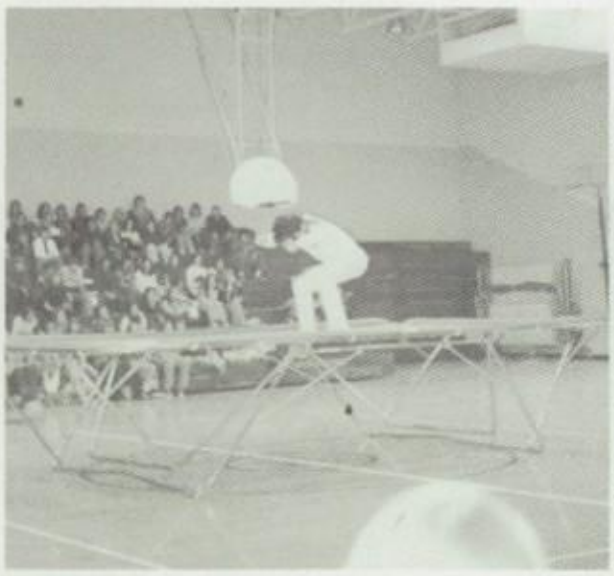
The Student Council is an organization by the CHS student body to represent them in school activities.

The years highlights of the student council year were preparing for Homecoming festivities and the Homecoming Dance which carried a fall theme.

The council arranged several student exchange days with different schools and also sponsored entertainers throughout the year to break normal routine. The student council also solicited money to make it possible to purchase an oil painting of the wrestlers for the school. They will have the painting framed and encased for the school.



A NEW CLUB - F.S.A.!

Future Secretaries of America was a new club formed this year by the Senior girls in the Office Practice Class. The clubs' major objective was to earn money to help pay for expences of the course. The money was raised by selling homemade pies, made by girls of the class, other projects included the monthly Newsletters, by assembling-folding-stapling-addressing-counting-and bundling those letters, our Crestview Local Schools could provide a community information service about happenings in and around our school and community.

Many girls also helped different teachers with that extra bit of typing sometimes needed to help ease the teachers load of things to do. Others helped in the front office gaining experience in office work.

All in all the club had a busy year and learned many new and exciting things which will surly prove to be of great value in the future for those many girls going into the business world.

The Crestview Chapter of Future Teachers of America is a service organization with a goal of attaining practical knowledge and experience in education through active participation both in and out of the classroom and within all aspects of the teaching profession.

Our 1976-77 school year consisted of a student-exchange day with other F.T.A. members from Mapleton and a student-teacher day in the Spring in which the students actually taught classes at the elementary, junior high and high school levels.

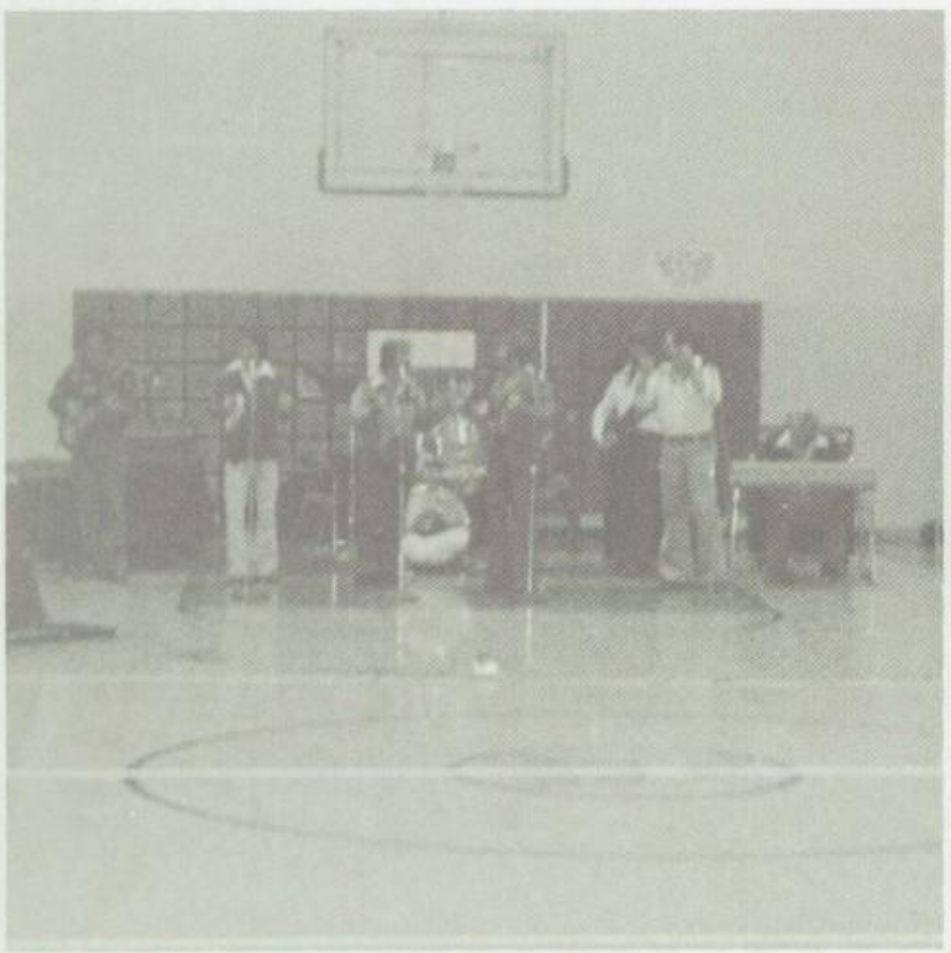
STUDENTS KEEP INVOLVED

Last year the Social Club was formed by the Sociology class with the purpose of sponsoring activities in which the student body could get involved, and this years class has been no exception, the club did have quite a busy one.

Some of the events they sponsored this past year were a dance per month following a home football or basketball game, a cookout for the football and cross country teams, and a musical concert for the student body during Homecoming week. They also held a Sadie Hawkins Day and dance in March. At the close of the school year, many of the members went to Cedar Point for a day of fun and relaxation.



Band entertains, and helps get Homecoming spirit started.

JAC CHAMPS AGAIN

The Cougar Cross Country team enjoyed another successful season high-lighted by winning its fourth Johnny Appleseed Conference championship in the past five years. The team was lead by Dave Bardeen, Casey Yost, and Mark Bunt, who finished 1st, 2nd, and 4th, in the league run. The Harriers duel meet record of 7 wins and 1 loss helped round out a season that can be pointed out with pride. The team make up of largely underclassmen are ready for upcoming seasons.

COUGAR'S BATTLE OUT SEASON

The 1976-77 Varsity football team ended their year with a devestating 0-9 record. The team, lead by Senior four year letterman Rod Gray, and Scott Hairston, battled their way with Clearfork losing only by two points. With many talented underclassmen the team shows a promising future.

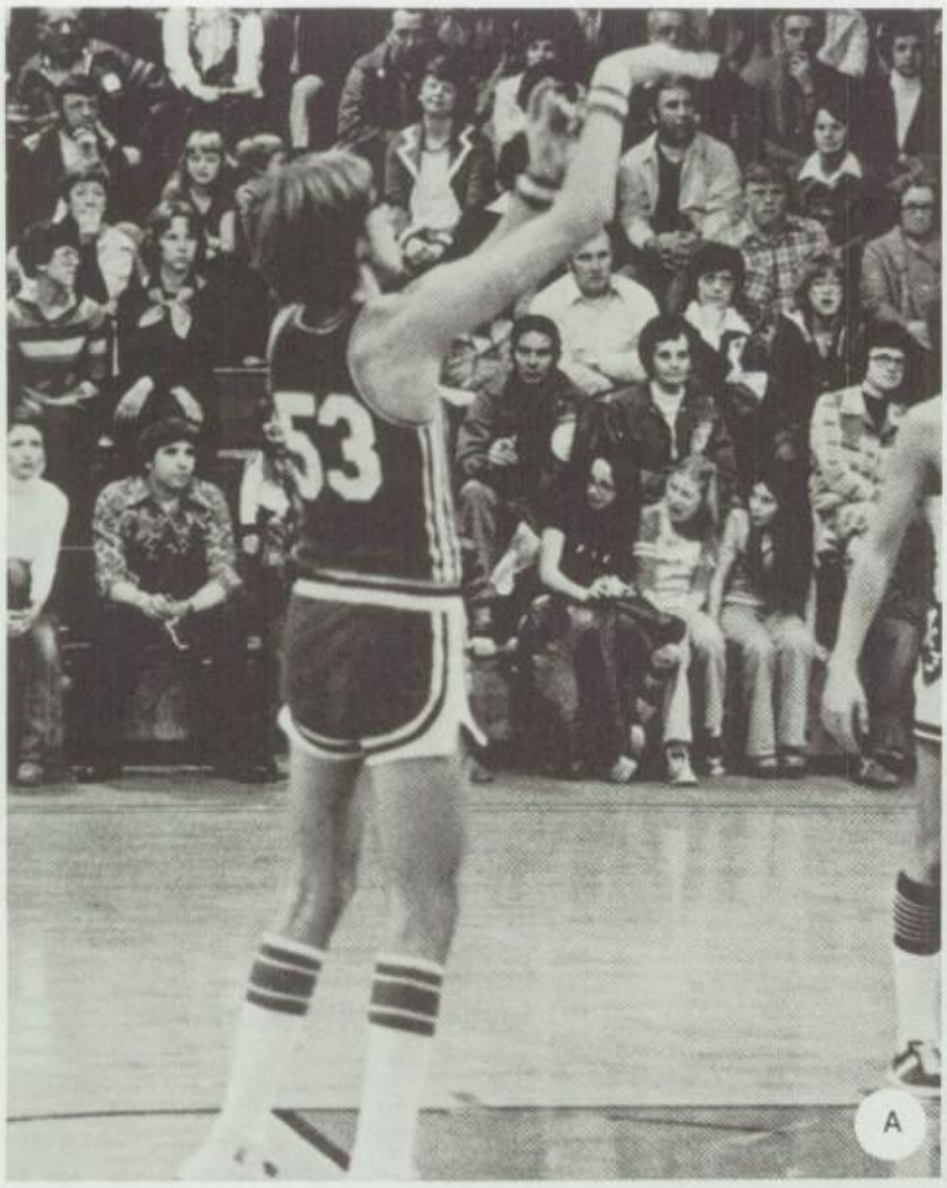
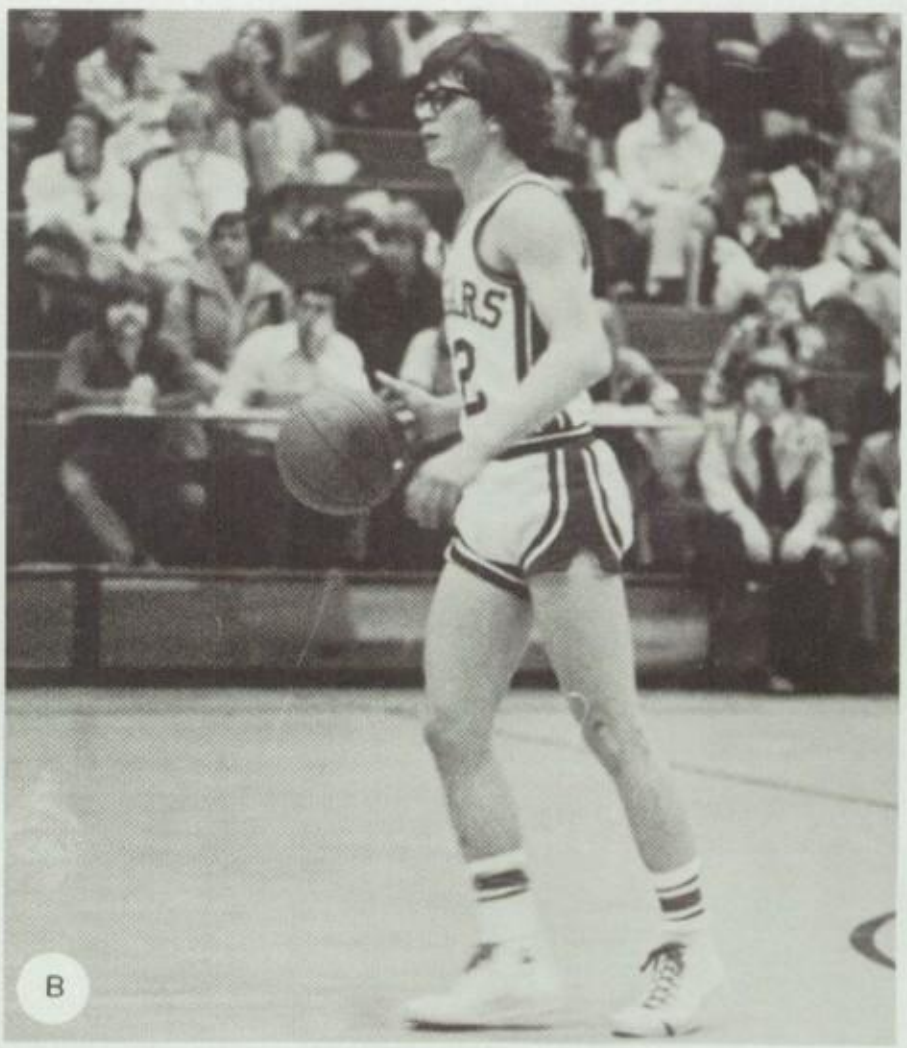
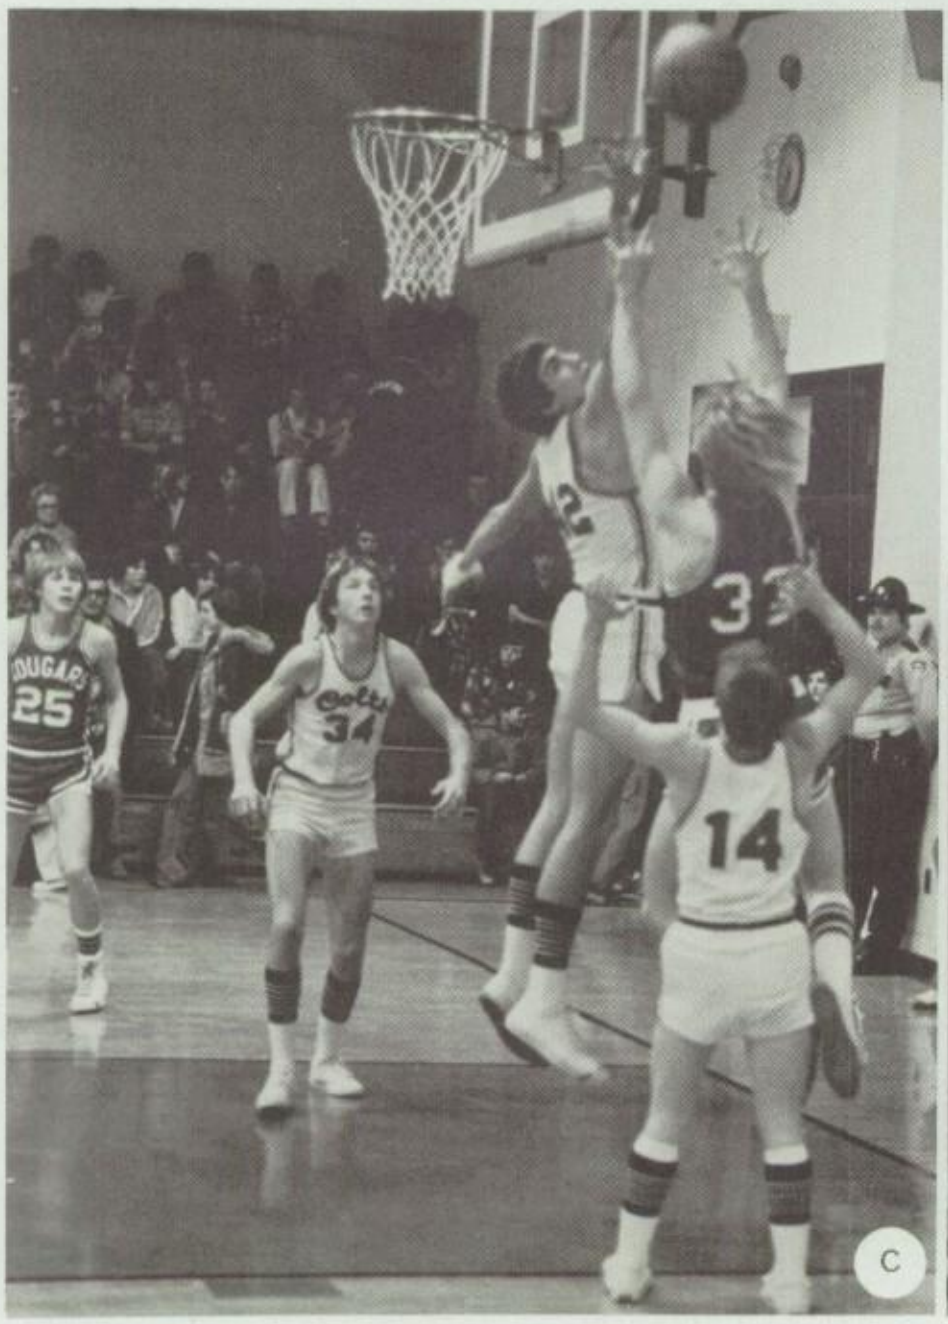
ROUNDBALLERS HAVE

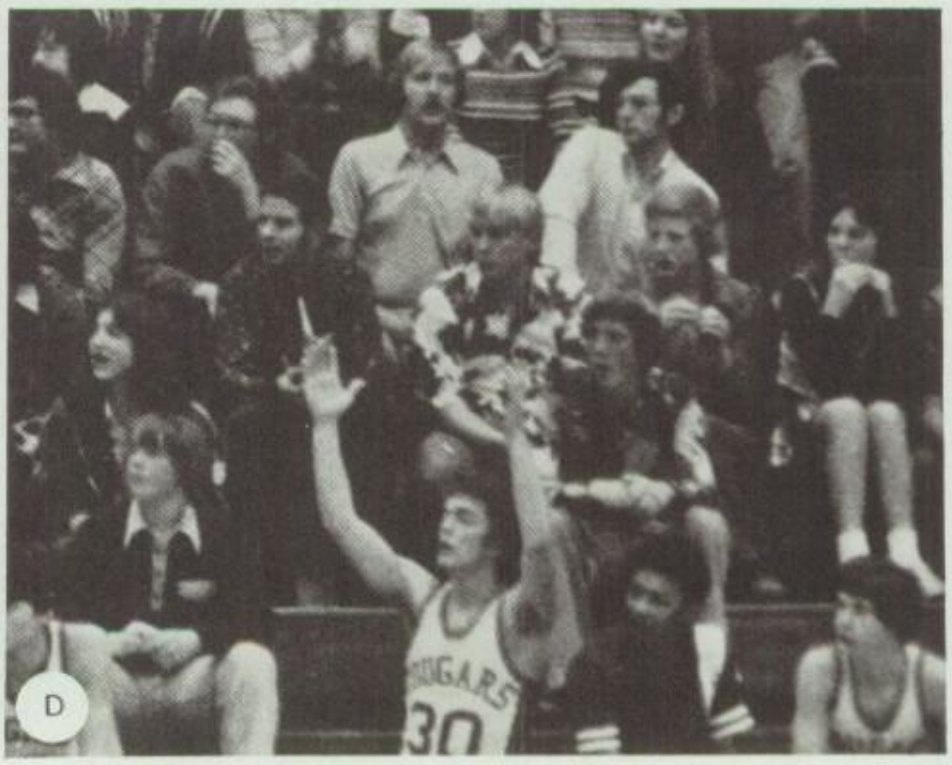
The 1977 Varsity round-ballers had a disappointing record of 7-13, score differences of seven of the lost games totaled only 14 points. Despite only two returning lettermen, the team showed outstanding victories over Crestline, Lucas and New London. The Varsity squad went into the Sectionals crushing South Central 46-39, in the first game but went down fighting again at Seneca East, lising 47-43 in the second.

The Junior Varsity squad rounded their season out to a 3-15 record. Having a strong offense but not enough heighth was the problem this year. A few achievements brought about were against Mapleton with a victorious score of 57-45 and two wins over Crestline.









EXCITING SEASON

The Freshman basketball team improved consistently throughout the season. Each player improved his skills and contributed to the success of the team. The over-all team record of 7 wins and 4 losses was better than some people expected, since the team was small in numbers and in physical stature. The team's success was a result of intelligent play and determination. With continued hard work these players should have further success in their Varsity years.

STAY ON TOP

Hillsdale was the first competitor for the 1977 wrestling Team. Loosing by only one point, the match drove the grapplers to a 41-15 win over Black River. Concluding the season with a 3-2 record. The team suffered a drastic defeat only to Ontario but retaliated with an onslaught against Clear Fork and Mapleton. With the inspiration of Coach Seder, and his own will, Reggie Johnson once again proclaimed the title of state champ. A team effort was also involved for the State Championship by placing 2nd in the Sectionals and 7th in Districts.

Doubling the size of last years squad, the 1977 Girls Track Team showed even more improvement than their predecessors. With expert coaching by Miss McCready and lead by four Seniors, the team set out and met all the previous school records and even beating some of them!

With a full squad of talented underclassmen the team shows a more than promising season next year and perhaps even a bigger chance for the J.A.C. Championship.

BASEBALLS' HIGHLIGHT OF THE SEASON CAME WITH SECTIONAL TOURNAMENT.

The 1977 baseball team started out the season with high hopes for a good showing. With seven returning players from last years' JAC Champtionship club, the Cougars looked to have a respectable team, but they struggled to get together as a team and also adjust to a new coach. Coach Carlton felt the Varsity team committed far too many mental and physical errors and therefore slumped to a 2-17 record. However the highlight of the season came in the sectional tournament where they played their best games beating Buckeye Central and narrowly missed beating South Central one of the top A teams in the area-Scott Hairston was elected 'Most Valuable Player' and Terri Chronister led the Team in hitting with a .340 batting average.

The Reserve baseball team showed a lot of hustle and enthusiasm en route to a 5-5 record this year. Sophomores and Freshman gained valuable experience for next year. Kevin Krebs and Jeff Jacobs led the team in hitting and Kevin Krebs was also the leading pitcher. This team was a good group of kids who enjoyed playing baseball, and did it well.

VOLLEYBALLERS SHOW HIGH LEVEL OF COMPETITIVE SKILL.

The Girl's Varsity Volleyball team Coached by Marty McCready and Seniors Jane Ramsay and Deb White aiding as Co-Captains, completed the '76 season with a dazzling record of 9-7.

Practice began in Mid-August and ended with Sectional Tournaments, November 6. The girls records showed main upsets coming from larger AAA powers such as Ontario. They defeated Ashland eairlier in the season, which said a lot for the level of competition at which they played, however the volleyballers were cut short of a victory in the Sectional x Tournaments against Sandusky Saint Marys.

The Reserve team ended their season with a respectable record of 4-7. Each competitor was a challange and the girls took each in their stride and proved to be quite a powerful opponent to beat.

A. Diane returns opponents serve with swift movement.
B. Sophomore Rita Risner rotates and serves the volleyball.
C. Diane Krebs takes a short "bubble break" between plays.
D. Miss McNaul gives time-out strategy.
E. Senior Mary Vogel takes her turn serving.
F. Rita keeps alert while returning the ball.

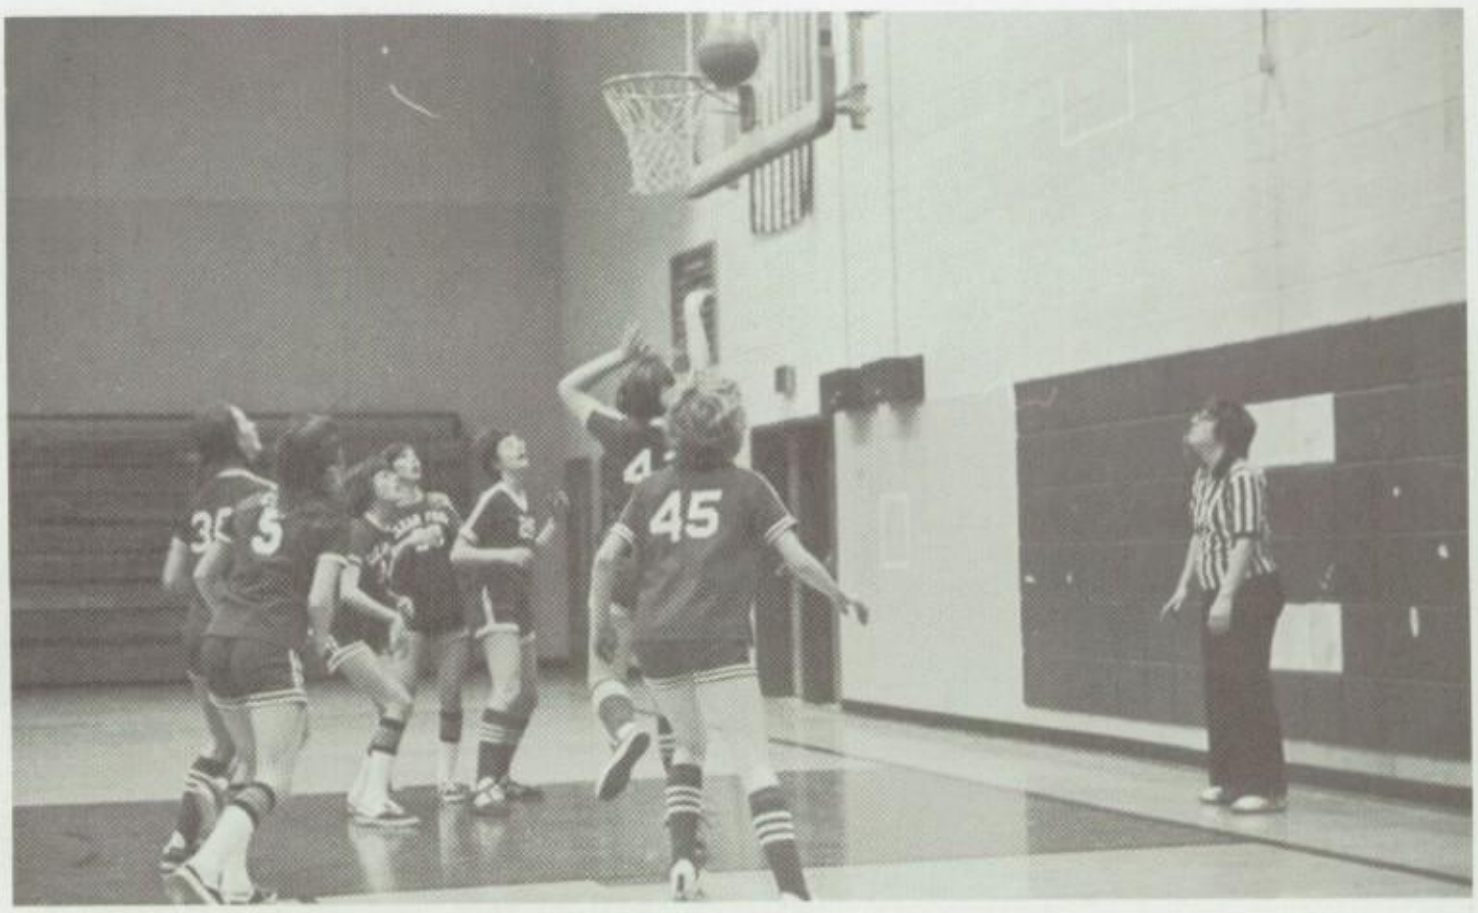
GIRLS SKILL LEVEL AND ADVANCEMET LEAD THE WAY TO VICTORY.

The Girls Basketball season began with practice at the end of November. In early December was the season opener with a Holiday Tourney at Ontario against Bucyrus in which came the girls first defeat. Coach McCready stated it's difficult to start a season with tournament play and pressure, but in games that followed it was a different story, the girls played good intelligent basketball. Height was a major handicap in several games.

Coach McCready with ass't Melanie McNaul guided the team through many occuring problems. Senior Jane Ramsay, the area's leading scorer averaged 21.5 pts. per game was Captain while Seniors Deb White and Cathy See aided as Co-Captains.

With everyones involvement and improvment the Varsity team ended their season in March with a 6-8 record. Coach McCready was thrilled at the skill level and advancement that the teams have made in the past 2-3 years. GREAT basketball!

The Reserves had an excellent season also, closing it with a 8-1 record. Everyone was very proud of the reserve team.



Sophomore Rita Risner makes her way to the basket for a perfect lay-up shot, with opponent close by.

The Varsity team at a time-out, gathering on-the-court strategy from Coach McCready for a sure victory!

Cougars go for the jump-ball with speed and a-gility.

Entire team enthusias-tilly comes onto the court to play ball.

Lead by a dedicated group of Seniors, the 1977 track squad added another successful season to their list. Winning the District Championship and qualifying nine to the State meet, headed Crestviews list of accomplishments. At the State Meet Victor Nabors placed 3rd, in the 220 yd. dash and the 880 yd. relay team of Allen Stuart, Dave Williams, Mike Steiner and Victor Nabors placed 6th. Victor was also 8th in the long jump as was the one mile relay team of Tony Crank, Reggie Johnson, Dave Dardeen and Doug Fitch. Tim Brafford also qualified for the state in the high jump and placed 10th. As a team in addition to the District Championship list trackmen received the following First Place trophies:
Sectional Champs
Crestview Indoor Invitational Champs
Fredericktown Invitational Champs
Mt. Gilead Invitational Champs
Ashland-Hillsdale relays Champs
Dual Meet record 6 wins-1 loss.

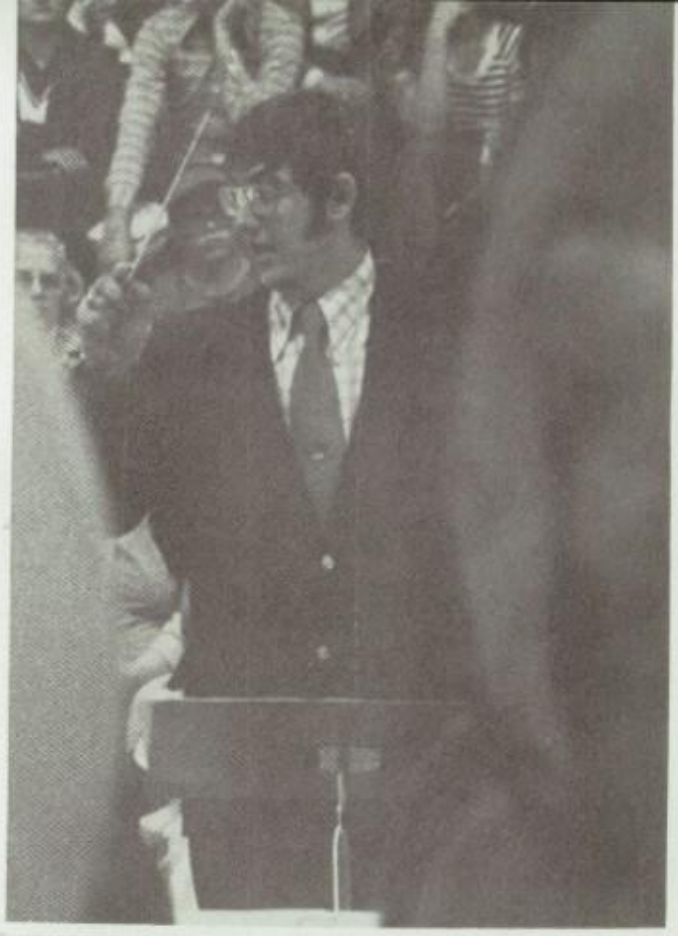
SENIOR BAND IN MARCHING IN CONCERT



Right - Our director Mr John Robinson

ABOVE - L to R MAJORETTES Dawn Blankinship, Bev Jackson, Tammy Smith, Karen Glenn-Below-1976-77 CHS Marching Band

Under the direction of Mr. John Robinson and with the leadership of the majorettes and the help of the Cougarettes, the Cougar Marching Band added another successful marching season to their record.

Our band performed for several different occasions, the Ohio State Fair, the Labor Day Parade, for a Shelby Blues football game, the annual Parade of Bands at the Ashland Co. Fair-grounds, plus many other parades not to mention our own pre-game and half time shows and all pep rallies.

Hopefully everyone involved with and in the band gained something from their experiences.

A. Student director from Ashland College, Mr. Ullum.

B. Seniors Mary, Jane and Cathy keep spirits high for a pep rally.

C. Clarinettist Tammy and Kim memorize marching music.

D. After school practice, band in popular formation.

CHOIR

This years Crestview Choir was considerably larger than it had been in previous years. Many new members enrolled and all participants were kept quite busy. The choiristers were involved in different activites which included several concerts, and the solo and ensembel contest, plus many of the choir members joined the All County Choir. With this years experience, next year's chorus promises to be quite exceptional in its talents.

Our cheerleaders stood for pride. They smiled and yelled and when the going got tough-they screamed even louder. The spirit of the girls is tremendous: They went through training camp in the summer, cheered in light outfits in sub-zero weather, and gave up their time to practice and stir up spirit for our games. These are our cheerleaders in whom we should be proud.

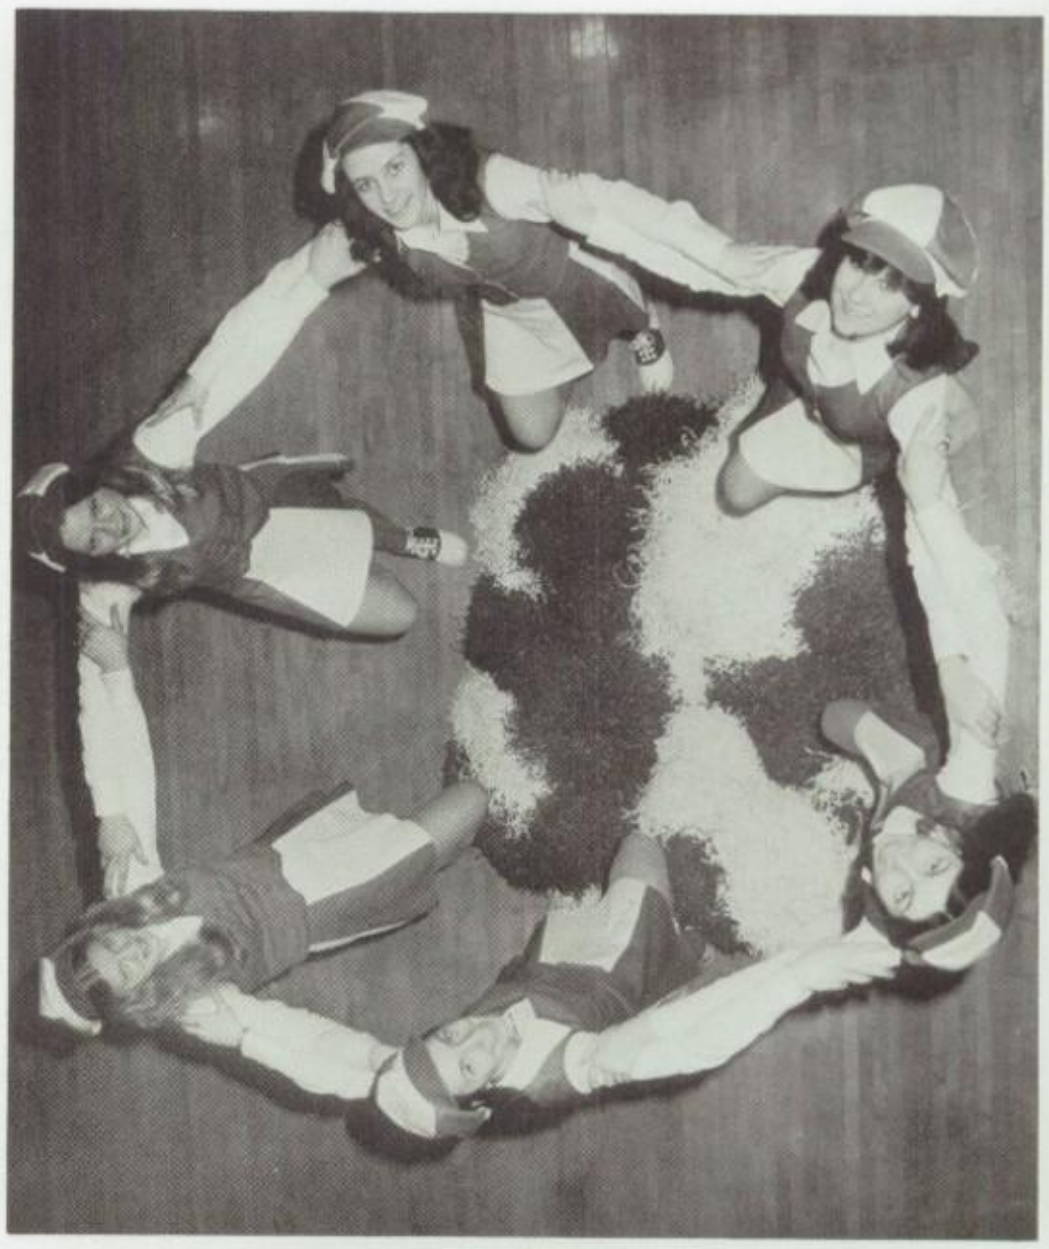
COUGARETTES



COUGARETTES 1976-77

This years Drill Team consisted of six girls. Annette Phillips, Senior and Captain headed the group through their busy year. Many hours of hard practice during summer months and after school prepared the Drill Team for their traditional performances at all football games, and at all home basketball games, other performances included fairs and parades. For money making projects the girls had a car wash and bake sale during the summer, and during the fall at Holloween time they sent ghost grams. It was definitely a rewarding year for all.

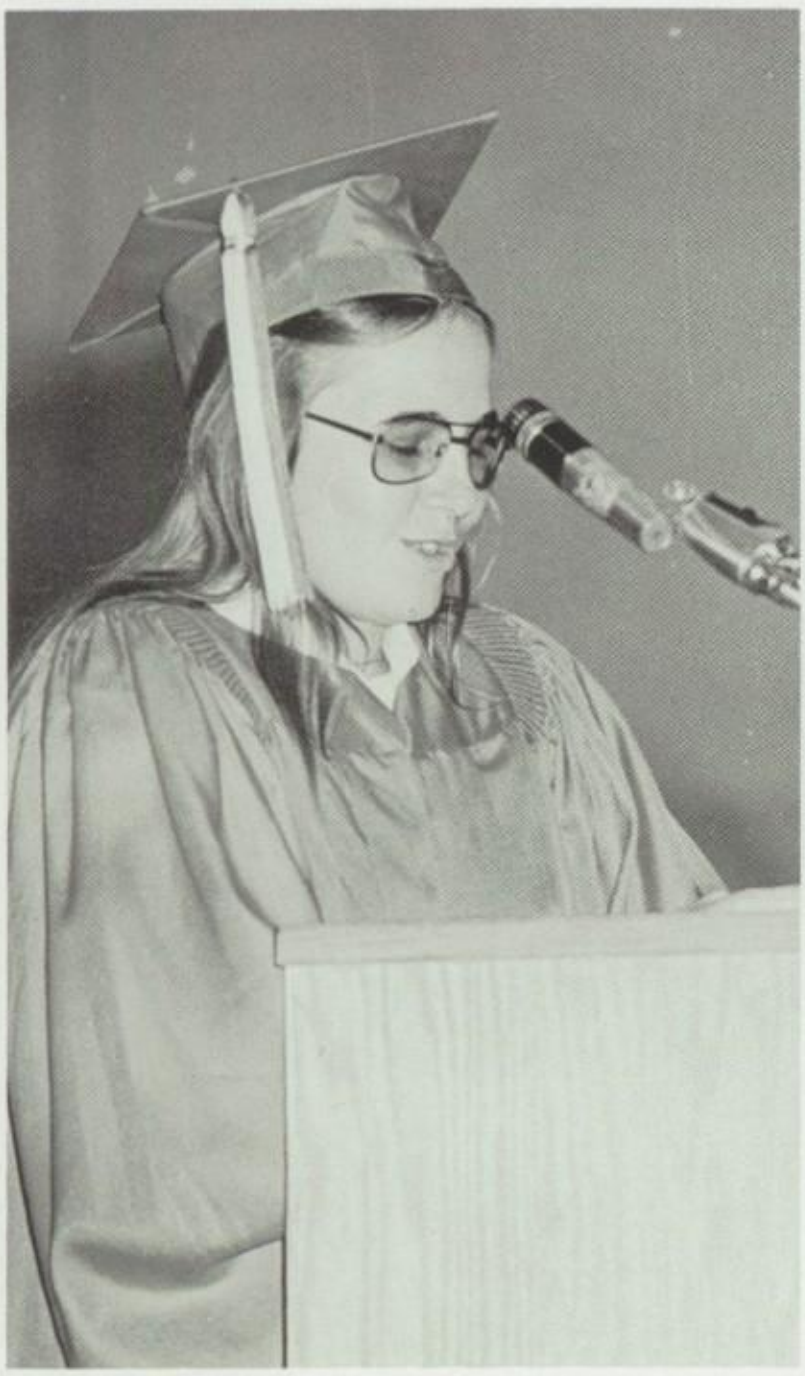
- FAREWELL -

The Class of '77 held their Senior Farewell on June 3, the senior assembly was a mixture of emotions, sadness and happiness, the happiness filled the gym because we were proud of our accomplishments and the sadness was there because it was to be our last time together.

Ray Lambright the president of the Senior Class, acted as Master of Ceremonies for the assembly.

The biggest portion of the program consisted of readings of the Class Will, Class History and the Class Prophecy also the presentation of dedicating the Crescent Yearbook to Mr. White and Mrs. Ginther. Mary Vogel, Annette Phillips, Cathy See and Tracy Lewis were the people involved with these things. The National Honor Society then awarded deserving Seniors with gold double honor cords. The farewell speech was given by Ray Lambright, then the Junior Class presented the Senior Class with a large Graduation cake.

This was the first time in Crestviews' history the senior portion of the assembly was held on a separate day, the presentation of all other awards and so forth were given the following day June 4th.



AWARDS ASSEMBLY - JUNE 4TH

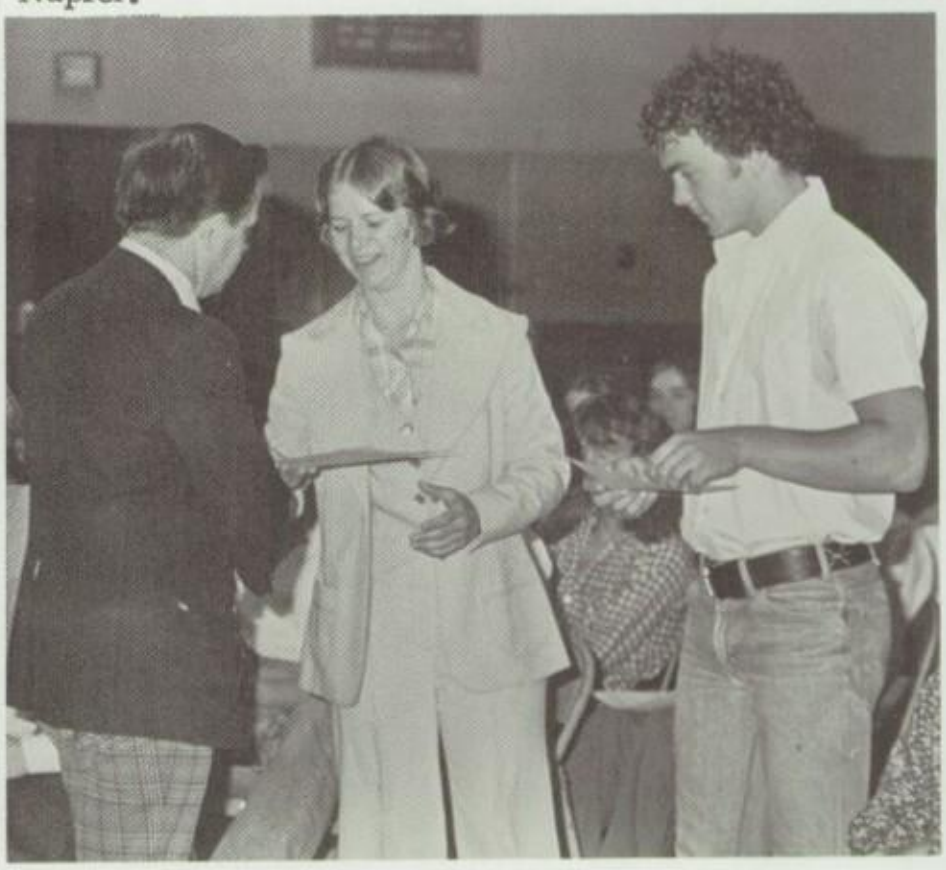
The Awards Assembly was held Friday June, 4. Club advisors distributed awards to seniors and underclassmen for their participation. Mr. Porter announced the Babe Ruth winners, and Mr. Burns honored the I Dare You award winners. The Babe Ruth winners presented outstanding student awards to members of the student body who excelled in particular courses. Other Honors were State Board Certificates, librarian awards, service awards, scholarship team and winners' awards, and honor awards, sportsmanship awards and PJVS honors.

Mr. White gives librarian aides awards.

Mr. Porter accepts track trophy for the school from track member Casey Yost.

Mr. Pruner awards special track honors to Mike Stiener and Keith Napier.

Mr. Burns awards Sue Dunn and Mike Stiener the 'I Dare You award.'



Mr. Porter awards Jane Ramsay and Tom Pfister The 'Babe Ruth award.'

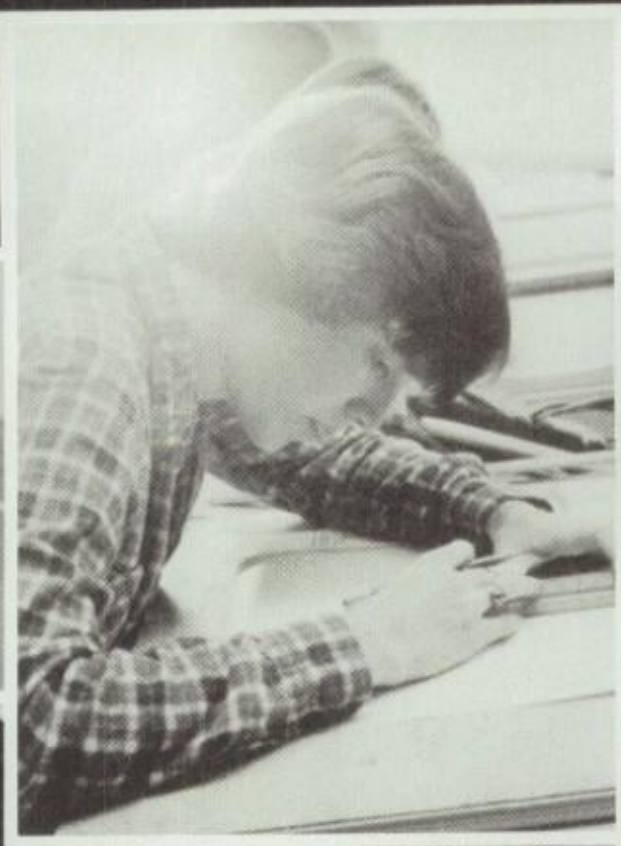
Mrs. Detrow receives present from newspaper staff

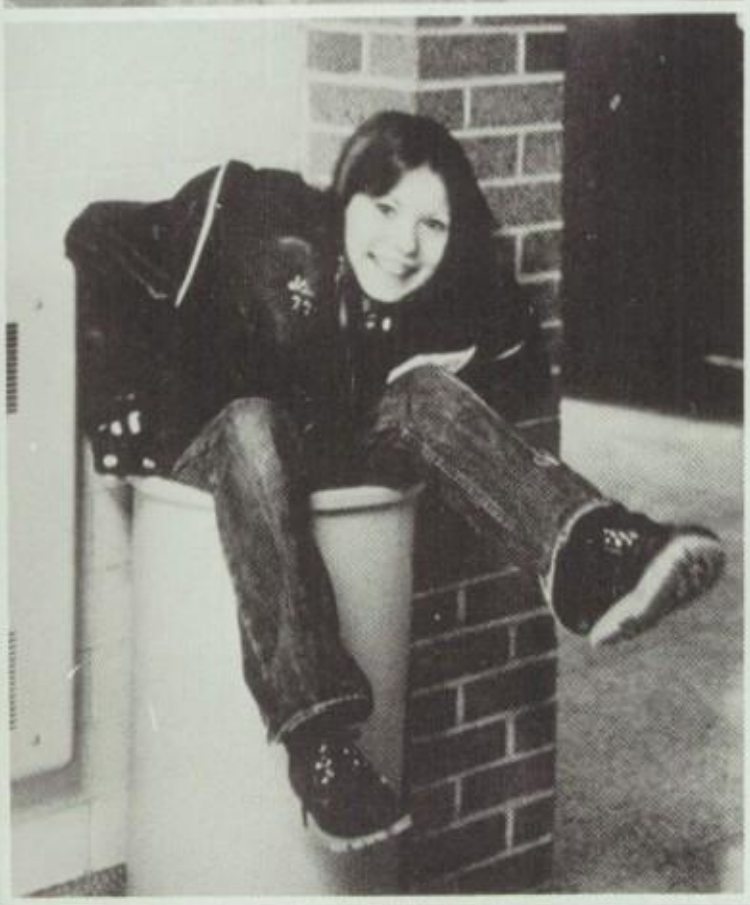
Coach McCready with track team awards.

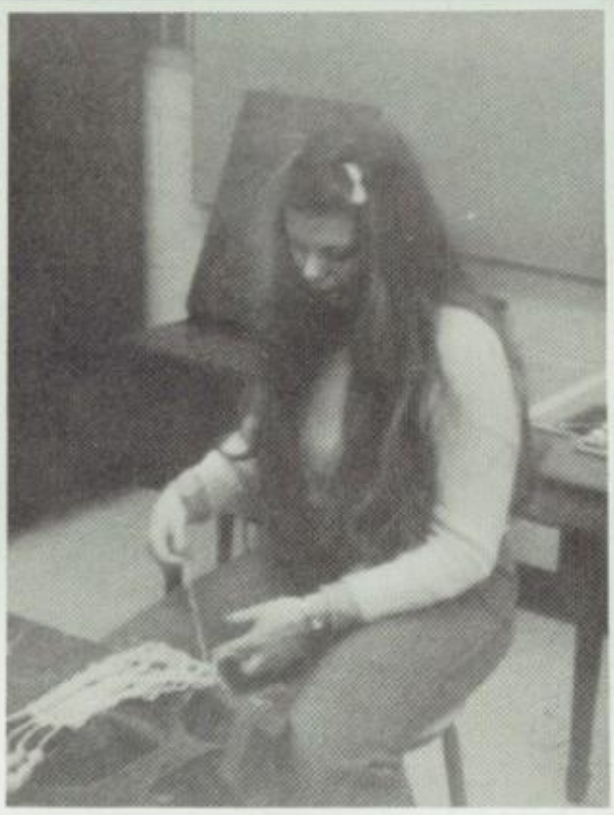
Coach Carlton with baseball team awards.

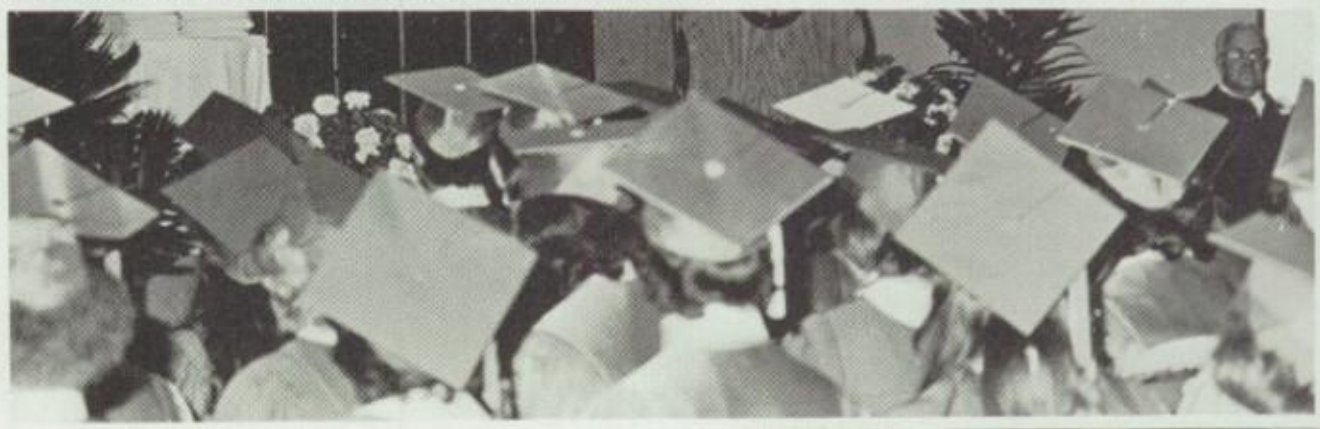
Mr. Burns gives citizenship awards.

Seniors Scott Furman and Jill Coy look over each others acheivements.









VOCATIONAL EDUCATION OPPORTUNITIES
PIONEER JOINT VOCATIONAL SCHOOL

Regularly enrolled students of high schools within the Pioneer Joint Vocational School District are eligible to attend Pioneer if they have achieved proper grade rank and are in good standing at their parent school. Entry and placement into Pioneer's vocational classes is determined on the basis of the applicant's ability, attitude, achievement, interest and health.

Students participating in Pioneer's Vocational Education Program graduate from their home community high school. They are eligible to participate in their parent school's athletic and extra curricular activities even though they spend their entire day at Pioneer JVS.

Students attending Pioneer JVS spend three hours a day in laboratory or shop experience in their elected vocational area plus one and one-half hours a day in related work in science, mathematics, basic economics, human relations, etc. The rest of the school day is spent in the academic subjects which are required for high school graduation. Eleventh grade students going to Pioneer JVS are required to take English. Twelfth grade students are required to take Senior Social Studies.

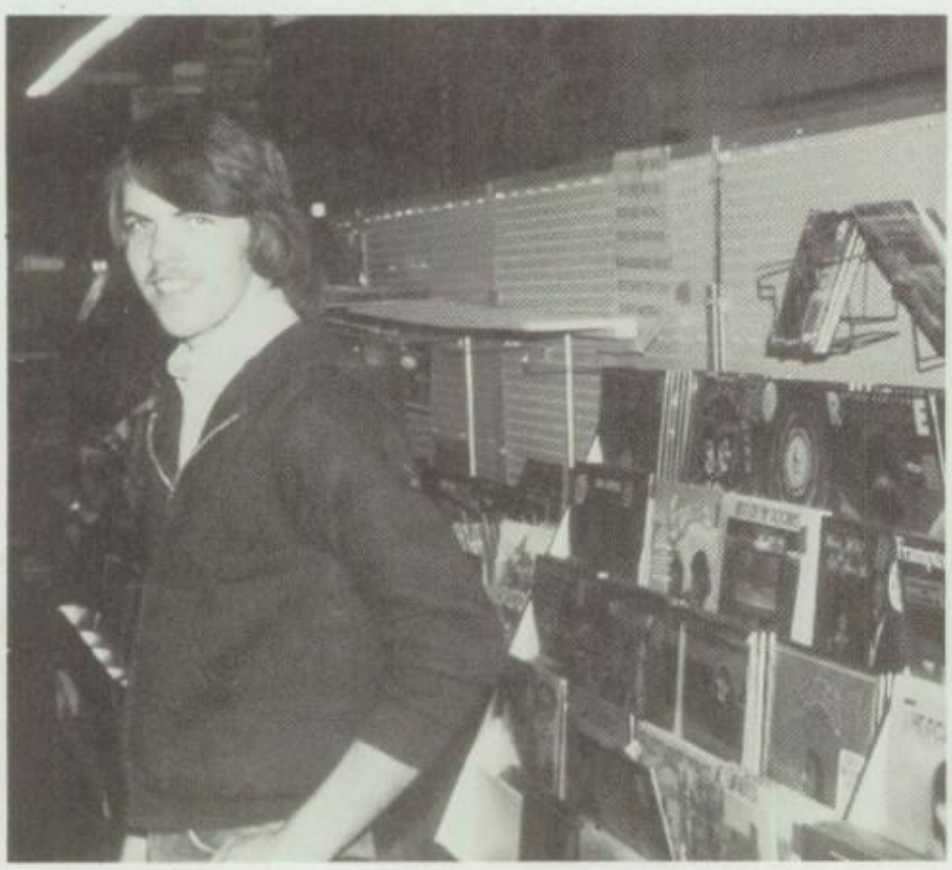
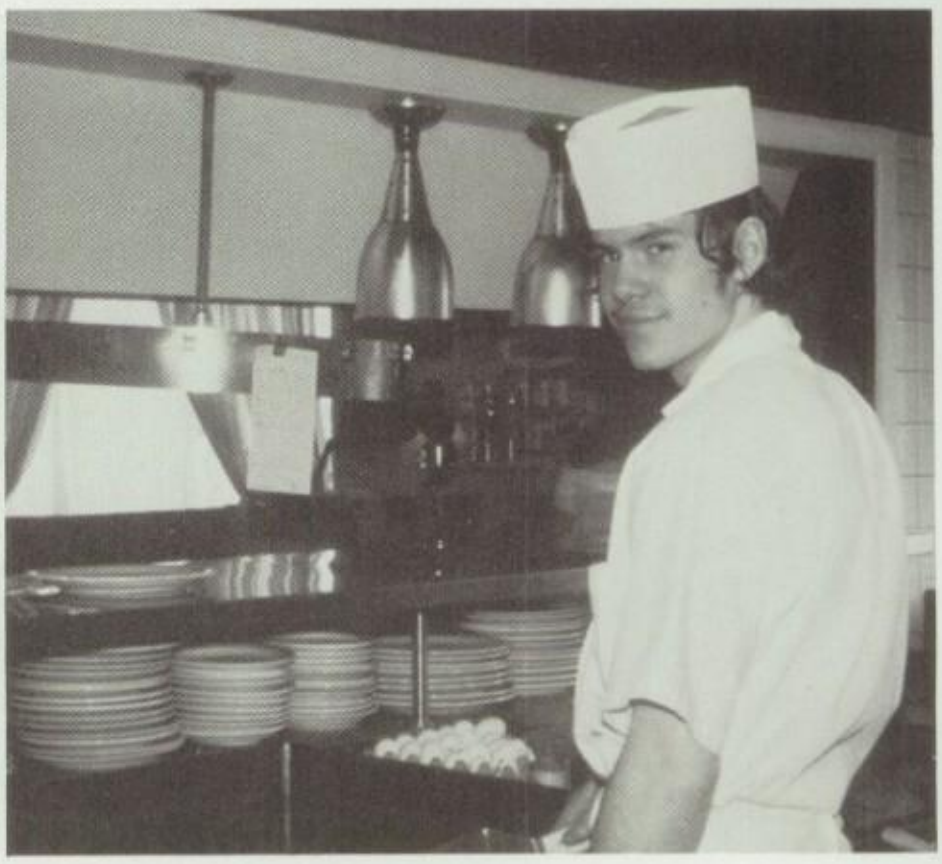
SUCCESSFUL YEAR FOR OWE CLASS

O.W.E. CLASS-FRONT ROW: Tim Hartsel, Rick Pittenger, Bryan Baker, Tim Carman, William Tegtmeier. BACK ROW: Phil Tucker, Becky Hickey, Randy Hazenzahl, Chris Rogers, Rod Gray, Robin Gillam, Barb Hicky

The O.W.E. Class earned a successful $33,000 this past year. The big excursion for the group was the environmental canoe trip down the Mohigan River, on a beautiful May day. Twelve students stayed on the same job all year, and most of them will continue after graduation or when school is out for the summer. Class studies included many aspects of the job world, good money management techniques and economics. Students entering the O.W.E. Class must pass certain criteria then are selected for the class. The Occupational Work Experience Class is a cooperative work-study program, the major objectives are job placement, along with satisfactory school work and eventual graduation.



Five Cousins keeps Robin Gillam busy.



Rick Pittenger-griller at Perkins.

INTENSIVE ED. MUCH APPRECIATED!

Class Members-Mr. Kaler, Advisor, Frazier Johnson, Greg Cantleberry, Sandy Blanton, Keith Searl, Kathy Fair, Brenda Coffman, Tim Hoffman, Karen Taylor, three members names were unknown to us.

Mr. Kaler and his intensive educational classes certainly were appreciated at Crestview. Not only did they keep the inside of our school neat and tidy, but they also were responsible for the cleanliness outside the school. On many a cold wintery day, these industrious students could be seen outside the school building picking up trash and debris. Thanks to them our football stadium was kept almost immaculate. Many also help out in the cafeteria, doing the many tasks that need finished to keep things running smoothly. So, for the entire student body, we say "thanks", to the students in the intensive ed. classes.

A game of skill is easily mastered by these two!

Crestview Local School Board-L. TO R.-Mr. Francis Whisler, Mr. Dean Glenn, President-Mr. Voy Harmon, Vice President-Mr. Kenneth Burns, Mr. Bruce Winters, Clerk-Mr. Steve Clingan.

Ass't Principal-Mr. Albert Kiel
Ass't Counselor-Mrs. Berry

The school office is the center of activity at Crestview. This is where all the earth-shaking decisions are made by the school board, which holds its monthly meetings here and Mr. Midlam, who has proved to be a concerned and versatile superintendent. Mrs. Falk, who is Mr. Midlam's right hand, serves as secretary to the board, and is always there when needed. Mr. Porter also adds to the activity in the office by making various important decisions which always seem to affect the students in one way or another. Mrs. Kemp, constantly busy with phones, memos, and serving the student's school needs, serves as Mr. Porter's secretary. Mrs. Oswalt acts as secretary to Mr. Clingan, the school clerk. Counseling the student body is Mr. Burns, who is always able to figure out a schedule for a confused student; he also has a knack for guiding students to the right college.

Together, this group of people insures each student that his school is in good hands.

COOKS, CUSTODIANS, BUS DRIVERS CONGENIAL

Cooks, custodians, and bus drivers serve students every day in many ways. They act as friends, help distressed students open jammed lockers, feed the starving, drive us here and there, clean up after us so we can dwell in a clean atmosphere.

A BIG thanks to all of you, who have taken such great care of us!

As we look back and remember the happy times, feelings of hard work, rewards and determination, we at other times felt all alone, isolated in the midst of a crowd. Our being was one of constant new beginnings and continous endings, it filled our lives and our memories. It was our year molded by the character of what we were and had become.

Then your friends said they would stay in touch, teachers said come back to see them, but you know they won't and you won't, and I think maybe someday it won't matter, but right now, it hurts a little.
